

Application for Membership of the Plastics Consultancy Network PCN

The Plastics Consultancy Network is a “network” of independent plastics consultants.

The PCN is not a business. It is funded only by annual Membership fees.
The PCN Membership subscription is £135 per annum.

We welcome new Members to join our Network.

Membership is normally only available to those individuals who have been operating as an independent consultant for at least two years.

Please write (by email) to the PCN Membership Committee, providing your full contact details, and whatever documents (eg bio, profile, CV, resume) you have available, that enable us to understand your suitability to join us as a PCN Member.

Typically these supporting documents would enable us to see your qualifications, publications, professional memberships and career history, showing your areas of speciality, the sectors of the industry in which you have worked, and the typical services and facilities that you offer to the plastics and polymer industries. A statement of your international experience and languages would also be welcome.

Please also provide the contact details of two Referees, one personal and one technical (or concerning your speciality), to whom the PCN could apply directly for a reference. These may include any PCN member(s) you have worked with, or who will support your application.

Your Application for PCN Membership should then be submitted by email to:

The PCN Membership Committee
% John Gearing
Gearing Scientific Ltd.

gearingsci@yahoo.com

T: +44 (0) 1983 852 211

Upon acceptance of your application, you will be invoiced for the annual subscription of £135.
