

Dr. Trevor J. Hutley MBA *Global Polymer Industry Consultant*

Dr Trevor has broad experience in the global polymer and petrochemical industry, across many companies and organizations, including The British Plastics Federation, Dunlop Engineering Plastics, Dunlop Technology Division, DuPont Engineering Polymers, OneChem.com, The [Saudi] Royal Commission for Jubail & Yanbu, Lotus Engineering, Sipchem, GPCA, Pan Gulf Holding, Dhahran TechnoValley Company, Haward Technology; based in the UK, Switzerland, Hong Kong, 10+ years in the Middle East, and now in Thailand. He was a consultant and advisor to the polymer group of The Kuwait Institute for Scientific Research KISR in Al-Ahmadi; he continues to teach polymer courses in the region; he was a technical and management consultant to Polykem, a Swiss technology development company; and has worked with the University of Liverpool to commercialise new discoveries in polymer chemistry. Now an (independent) principal consultant to the Innovation Practice of DuPont.

His qualifications include a PhD in polymer engineering from Cranfield Institute of Technology, an executive MBA *summa cum laude* in finance and marketing from BSL (the Business School Lausanne) and a first class BTech in polymer technology from Brunel University. A British citizen, Dr Trevor married Julie née Carman in 1976; they moved to Switzerland in 1989, where their daughters Kelly (1981) and Katie (1986) live.

Dr. Trevor is a pioneering, visionary and creative technical leader. Kaizen is part of his DNA. He works across the professional spectrum, from highly technical activities (research, development, technical service, patent & literature search, product and materials development) through resourcing (sourcing, staffing and recruitment, training, teaching) through to commercial and strategic activities, such as market and business research, and development, technology commercialisation, due diligence, positioning, mergers and acquisitions, building financial and business models.

Dr Hutley is a creative, insightful, analytical, penetrating, inquisitive, strategic, and lateral thinker; and a passionate and capable speaker, with a sharp dry wit.
